Dear Parents and Caregivers:

I hope this message find you well. This week the district began to roll out the reopening plans for September 2020. The district is reopening in a Blended Learning model and will offer a Virtual Learning option as well. In the Blended Learning and Virtual Learning models the Sherburne-Earlville CSD is:

1. 100% responsible for content, instruction, and assessment
2. Students participating in Blended or Virtual learning are full time S-E students and can fully access all S-E resources including:
  - a. Athletics
  - b. Extra-curriculars
  - c. Technology
  - d. Related services (OT, PT, Speech, counseling, Etc.)

## Blending Learning

1. Alternate Day A-B scheduling by family
2. 50% of students on Tuesday & Thursday
3. 50% of students on Wednesday & Friday
4. In-person learning 2 days per week & Virtual learning 3 days per week
5. Engagement is mandatory 5 day per week
6. Regular virtual and in-person access to school staff

## Virtual Learning

1. 100% virtual learning 5 days per week Monday through Friday
2. Engagement is mandatory 5 days per week
3. Regular virtual access to school staff

## Home Schooling

1. Home school students are no longer S-E students
2. Parents are 100% responsible for content, instruction, and assessment
3. Limited availability to additional activities and services. Clubs may be available, however S-E sports are not an option.

Commissioner's Regulation (CR) 135.4 (c)(7) directs that a participant in interscholastic sports must be enrolled in the public school; CR 135.1 directs that a participant in intramurals must be enrolled in the public school; however children educated other than at the public school may participate in school-sponsored club activities. [www.p12.nysed.gov](http://www.p12.nysed.gov). Sherburne-Earlville has permitted home schooled students to participate in school-sponsored club activities.

Per NYSPHSAA, a contestant must be a bona fide student of the high school represented and must be taking at least four subjects including Physical Education. [www.nysphsaa.org](http://www.nysphsaa.org).

The partnership between home and school is essential to student success. We look forward to working with and serving your students this year.

Peace,

  
Robert G. Berson  
Superintendent of Schools

*Sherburne-Earlville is committed to students.*

*By providing an environment of educational excellence which emphasizes the learning of academic and life skills, nurtures self-respect, and fosters life-long learning, we enable our students to pursue challenging individual goals and to become positive members of society.*
