Dear Sherburne-Earlville Parents and Caregivers,

We are excited to announce the launch of our new mobile App, which will enhance communication between our school district and our community! The S-E App will allow you to access important information, updates, events, and resources from your smartphone or tablet. You also will be able to communicate directly with teachers, staff, and other parents/guardians through the S-E App's messaging feature.

To get started, please follow these steps:

1. The email address SECS D has on file with your contact information will receive an invitation from noreply@esv2go.com. If you need to provide or update your email address, please contact the main office of your student's building (i.e. ES, MS or HS).
2. Follow the instructions in the email invitation to create your S-E App account.
3. Download the S-E App in the Google Play or iOS store (search "seonline").
4. Log into the S-E App using the username and password you created.

We hope that you will find the S-E App to be useful and convenient, and we look forward to connecting with you through this new platform. If you have any questions or feedback, please call us at 607-674-7300.

Sincerely,

A handwritten signature in black ink, appearing to be 'R. Berson', written in a cursive style.
