

# NO SCHOOL FOR STUDENTS STARTING MONDAY

Chenango County Public Health Director Marcus Flindt has ordered the “suspension of all classroom and extracurricular functions with regard to all public and private schools” in the county.

This suspension is effective from 12:00 a.m. Wednesday, March 18, 2020, until 12:00 a.m. Tuesday, April 14, 2020.

That said, starting Monday, March 16, 2020, Sherburne-Earlville Central School District students WILL NOT come to school until the suspension is lifted. All athletic and extracurricular activities – including Community Swim, Girl Scouts and Sherburne Community Chorus – are also suspended during this time. Additionally, special education annual review meetings scheduled for Monday, March 16, 2020, will be rescheduled.

SECSO will provide services and instructional materials, including devices as needed and meals to those who qualify. More information will follow as to the specifics of our distribution process.

Monday, March 16, 2020, will still be a Conference Day for all staff. We will meet in the MS/HS Auditorium at 8:15 a.m. Monday.

Additionally, there will be an emergency Board of Education Meeting at 6:30 p.m. Monday in the Sherburne-Earlville Elementary School Library Classroom.

Again, **students are not to report to school until after spring break**. During this time, I strongly urge parents and guardians to encourage students to maintain their studies as provided by the District. I also encourage families to practice social distancing, avoid social gatherings, and keep personal hygiene at the forefront of daily routines during the next few weeks. This includes frequent handwashing, coughing into your elbows, disinfecting surfaces at home, and communicating with your doctor if you or a family member exhibits symptoms.

We will get through this together. More information will follow. Please feel free to contact the school if you have any questions.

Thank you,

**Eric Schnabl**

Sherburne-Earlville Central School District  
Superintendent of Schools
