March 27, 2020

Dear Sherburne-Earlville Community,

I was advised today that one of our employees has tested positive for COVID-19. We have been in contact with the Chenango County Health Department to conduct an investigation and contact any staff or community members who may have been exposed.

News like this can be received with mixed emotions from our community. As always, the safety and health of our students and staff are our top priority. We continue to work to support our students, families, and employees during this difficult time and appreciate your cooperation.

If you have questions regarding COVID-19, please contact:

Chenango County Health Dept.: 607-337-1660 <https://www.co.chenango.ny.us/public-health>

Bassett Healthcare: 607-547-5555 <https://www.bassett.org/covid-19>

UHS Nurse Direct: 607-763-5555 <https://www.nyuhs.org/>

NYS Department of Health: 888-364-3065 <https://coronavirus.health.ny.gov/home>

If you or a family member are exhibiting COVID-19 symptoms (fever, cough, shortness of breath), please do not go to the emergency room or your health care provider without calling first. They will provide you with further guidance.

Please remember that social distancing and good hygiene are our best defenses against Coronavirus. Stay home and do not go out in public unless you have to.

We know this time may be stressful on employees, students and families. If you feel the need to talk to someone, the state has established a new Mental Health Hotline at 1-844-863-9314.

More COVID-19 resources are available online here:
