Winter 2024-2025

Timberwolves take winter by storm!

S-E honored for excellence in classrooms, clubs and sports!

Superintendent's Message

A winter to remember, for all the right reasons!

Sherburne-Earlville has been red hot during these cold winter months with a number of success stories, from academics to athletics and everything in between.

Let's start by congratulating our Top 10 Seniors in the SEHS Class of 2025! Valedictorian **Gaven May** and Salutatorian **Lydia Larchar** lead this year's group, which includes (in order) **Ryker Fuller**, **Katelyn Walker**, **Brady Bowker-Jemzura**, **Colton Camenga**, **Mia Currie**, **Opal Amann-Burns**, **Darthy Conant**, and **Lucas Scholl**. Our Top 10 will be formally recognized as Ferdinand and Emilie Maltzan Award winners during the 2025 SEHS Graduation Ceremony on June 20 at our renovated stadium.

Congrats also are in order for our wrestling program, which took Section 3 by storm this season with Division II dual meet and overall team championships, among others. Our wrestlers regularly finished at or near the top all season under the direction of Section 3 D-II Coach of the Year Greg DuVall and his staff, which produced state qualifiers in senior Landon Andrade and seventh-grader Drew Telesky.

Our Top 10 Seniors and wrestling program encapsulate what our school and community are all about. They are testaments to what our students, families, faculty, staff, coaches and others have done to invest in processes that improve outcomes, which are byproducts of the work they've put in at every level.

Other S-E athletic programs are also trending in a very positive direction as boys basketball, bowling, swimming, and indoor track and field all had representatives in sectional events this winter. These accomplishments follow a fall sports season that ended with 57 Timberwolves earning state scholar-athlete awards.

By listening to people and learning where their passions and interests lie, we are committed to creating opportunities for everyone at S-E. As a result, S-E has enjoyed tremendous success all around.

Some examples

- All of our Odyssey of the Mind teams qualified for states, and Coach Heidi Johnson earned the prestigious Outstanding OMER Award in her 20th and final year with the program.
- Our Carpentry and Building Construction Program became an accredited CTE program earlier this school year, and we hosted a Robotics tournament for the first time with the inaugural Timberwolf Turmoil.
- Our Drama Club won four Theatre Association of New York State awards for its production of *Little Women* in November, and our National Honor Society membership doubled in March as 28 newcomers were inducted into the S-E chapter.
- Students also continue to shine with annual participation in All-County Music, Honors Band, Scholastic Art, Talent Show, and SkillsUSA events.

SECSd seeks voter approval for BOE changes

The Sherburne-Earlville Central School District is seeking authorization from stakeholders to approve a one-time proposition that would grant four-year terms in office for two of the four Board of Education seats set to expire in June 2027.

During its regular meeting in January, the Board passed a motion recommended by Superintendent Robert Berson to add the proposition to the May 20 ballot. The intention of the proposition is to restore balance in the number of open BOE seats each year.

Since the 1980s, when stakeholders voted to reduce the number of S-E Board seats from nine to seven, BOE members have been elected to serve three-year terms on a 3-3-1 seat rotation. This means three seats were open the first year of a rotation, three more in the second year, and one in the third.

Because of unforeseen circumstances, SECSd is now in a 0-3-4 rotation for open Board seats. S-E's last rotation ended in 2024, with four open Board seats for the first time. S-E's next rotation starts this year, with no open Board seats in 2025, three open seats in 2026, and four open seats in 2027.

By law, as best as possible, an equal number of seats must be open for every BOE election. Therefore, S-E is asking stakeholders to vote on a one-time proposition to approve two four-year terms and two three-year terms for BOE seats expiring in June 2027. This would set up a 3-2-2 seat rotation going forward, starting with the 2029 BOE election.

Assuming voters approve the proposition, the timeline for implementation of a 3-2-2 seat rotation would be as follows:

- May 2025: Zero open BOE seats; stakeholders to vote on proposition
- May 2026: Three open BOE seats, each for three-year terms (July 1, 2026-June 30, 2029)
- May 2027: Four open BOE seats, two for three-year terms (July 1, 2027-June 30, 2030) and two (on a one-time basis) for four-year terms (July 1, 2027-June 30, 2031)
- May 2028: Zero open BOE seats
- May 2029: Three open BOE seats, each for three-year terms (July 1, 2029-June 30, 2032)
- May 2030: Two open BOE seats, each for three-year terms (July 1, 2030-June 30, 2033)
- May 2031: Two open BOE seats, each for three-year terms (July 1, 2031-June 30, 2034)

Please note that BOE seats open when terms expire but may become vacant for other reasons. BOE members also can run for re-election during the final year of their terms.

Congratulations, Graduate!

Please join us in congratulating **James Allen Miller** on his graduation from Sherburne-Earlville High School!

SEHS Counselor Laura Morris praised James for his perseverance in obtaining a high school diploma during his one-man graduation ceremony January 24 at SEHS.

"You have overcome obstacles that many of us will never face, demonstrating a strength and resilience that is truly inspiring," said Morris, who helped James suit up in a traditional maroon cap and gown before the two served cake to an audience of friends, faculty, staff and administrators.

"Your decision to complete your degree required unwavering dedication, tireless work, and a commitment that deserves the highest praise," Morris continued. "We have all witnessed your perseverance, and we are incredibly proud of the person you have become."

James said he plans to go to college this fall to pursue a business degree.

"We have no doubt that you will excel in your future endeavors," said Morris, who acknowledged the SECS D Transportation Department, Student Services, teachers, aides, assistants, and administration for working together to provide the resources and support James needed to achieve this milestone. "You have made us incredibly proud, and we are all excited to see what the future holds for you."

Thank you for your support!

Thanks to NBT Bank in Sherburne for donating items from its Holiday Food Drive to our Backpack Program, which helps SECS D families in need throughout the school year.

Superintendent Robert Berson (left) and Social Worker Bill Mullin (right) visited NBT Bank on December 18 to accept donations from Kelly Cappadonia and Taylor Jennings.

SECS D also thanks Huff Brau for its winter donation of \$1,500 to our Backpack Program. Dozens of local businesses and individuals - close to 40! - made this donation and several others possible by supporting the Huff Brau's second annual Gathering for Good in November.

We truly appreciate our community for helping us help others at S-E, where #EveryDayCounts and #YouBelong!

To receive food assistance from our Backpack Program, call Mr. Mullin at 607-674-7348 or contact your school's counselor or social worker.

Guiding lights win big!

Congratulations to the Sherburne-Earlville Transportation Department on winning first place in the "Bus or Transportation" category during the Chobani Parade of Lights on November 30 in downtown Norwich!

We have an accredited CTE program!

The New York State Education Department approved our Carpentry and Building Construction Program as an accredited CTE program earlier this school year!

Sherburne-Earlville High School Principal Jolene Emhof was instrumental in finalizing the accreditation process, which puts our Carpentry and Building Construction Program on the same level as CTE programs offered by DCMO BOCES. Program leader Steven Davis and Technology teacher Scott Bugbee assisted in the process, along with many others.

"In football terms, we were driving with 30 yards to go and we handed the ball off to Ms. Emhof," Bugbee said. "She took it the rest of the way and we scored big!"

In late October, Emhof emailed the SEHS staff to praise everyone who helped the program attain NYSED approval.

"I want to share my heartfelt thanks with all the teachers, administrators, office staff, and BOCES work-based learning instructors who assisted me with putting this application together," she wrote. "This was a true team effort and I sincerely appreciate every one of you!"

Davis and his students have been working on a new pole barn by the Chobani Greenhouse and Class of 2019 Sugarhouse since the beginning of the new school year. After completion, the pole barn will be used as a work/storage space for students in our Carpentry and Building Construction Program.

Five teams, 57 athletes honored for academics!

Congratulations to Sherburne-Earlville varsity sports programs that earned Scholar-Athlete Team Awards from the New York State Public High School Athletic Association for the 2024 Fall Sports season!

To qualify for this award, 75-percent of a varsity team must combine for an academic average of at least 90 during a sports season. S-E Fall varsity programs that achieved this were boys cross country, girls cross country, field hockey, boys soccer and girls soccer.

The NYSPHSAA also recognizes individuals as scholar-athletes for maintaining an academic average of 90 or better during a sports season. Fifty-seven S-E varsity athletes earned individual NYSPHSAA Scholar-Athlete honors this fall—cheerleading (2), boys cross country (7), girls cross country (7), field hockey (10), football (8), boys soccer (11), and girls soccer (12).

Great job, S-E sports!

Personal bests all around at sectional swimming!

Congratulations to our varsity swimmers who competed in the Section 3 State Qualifiers on February 14 at Syracuse Nottingham!

Sophomore **Parker McCracken** set another personal best in the 100-yard breaststroke, finishing 21st in 1 minute, 9.32 seconds. He and 200 free relay teammates **Isaac Larchar**, **Ava Flanagan** and **Collin Maguire** all had personal-best splits for a 1:47.26 – more than seven seconds faster than their 1:55.04 finish at the Section 3 Class B/C Championships on February 12 at Nottingham.

Each member of our 400 free relay—Ava, **Madelyn Chouinard**, **Amelia Furlong** and Isaac—also had personal-best splits February 14.

Special shout out to **Madelyn**, **Amelia** and **Isaac** for singing the national anthem before the meet.

Great way to end the season, Timberwolves!

Wrestlers wrap up season at states!

Congratulations to Sherburne-Earlville senior **Landon Andrade** on his fifth-place finish during the February 28-March 1 Division II State Wrestling Championships, to seventh-grader **Drew Telesky** on his first state appearance, and to head coach Greg DuVall on his selection as Section 3 D-II Coach of the Year!

Seeded fourth at 285 pounds, Landon capped his third straight state-tournament appearance with a 10-5 victory by decision over sixth-seeded Geneva junior Gianni Velazquez in the D-II fifth-place match at Albany's MVP Arena. Landon, who placed fourth at 285 as a junior, went 4-2 at states to complete his senior season with a 43-4 record. His overall varsity record—spanning four seasons at S-E—is 133-21.

Drew also advanced to the second day of the New York Public High School Athletic Association D-II Tournament but dropped his first 101-pound consolation match, 4-1, to sixth-seeded General Brown senior Nahjeed Abel. He entered the tournament as the fifth seed, then went 2-2 at states to finish his first varsity wrestling season with a 42-6 record.

Landon and Drew won individual Section 3 D-II championships to qualify for states and helped the Timberwolves to the D-II sectional team title. DuVall and his coaching staff led our wrestlers to six team championships this season as S-E also placed first at the Penfield-Hunter Holiday Tournament, Cato-Meridian Blue Devil Duals, Cazenovia Invitational, Section 3 Division II Dual Meet Championship, and Center States League Tournament.

Coach DuVall was honored as the Section 3 Division II Coach of the Year during Section 3's 16th annual Wrestling Awards Banquet on March 9 at Theodore's Restaurant in Canastota. The banquet also recognized the entire S-E program for its accomplishments.

Congratulations, Timberwolves, on a wrestling season to remember!

Thanks to Kristina Shaw for catching Leland with coaches John Fontaine (left) and Dean Hatton just before they departed for the competition.

S-E shines at hockey games!

The Utica Comets gave our middle and high school bands an incredible opportunity to perform in front of thousands of hockey fans January 11!

Our Timberwolves played both the American and Canadian national anthems before the American Hockey League game between the Toronto Marlies and the host Comets at the Adirondack Bank Center. Total attendance for the game was 2,839 and included S-E Band Director James Behret and his students, who enjoyed watching the Comets cruise to a 4-1 victory.

Our national anthem tour continued 20 days later as S-E MS/HS choruses performed before the Binghamton Black Bears' 11-4 home win over the Columbus River Dragons in the Federal Prospects Hockey League.

Great job, Timberwolves!

Two place at girls wrestling sectionals

Congratulations to Sherburne-Earlville junior **Gabbi Naylor** and senior **Pasley French** for earning podium finishes at the Section 3 Girls Wrestling Championships on February 16 at Onondaga Community College!

Gabbi entered Section 3's first state qualifiers as the seventh seed at 126 pounds and went 4-2 en route to a fifth-place finish. Her victories included three pins – in her opener against the No. 10 seed, in wrestlebacks against the No. 6 seed, and in the fifth-place match against the No. 5 seed. Gabbi also won by technical fall in wrestlebacks against the No. 9 seed.

Gabbi's losses came against second-seeded junior Riley Butler of West Genesee in the quarterfinals and against fourth-seeded senior Haylee Robinson of Baldwinsville in wrestlebacks. Butler went on to win the championship at 126 pounds, and Robinson placed third.

The Penfield-Hunter Girls Holiday Tournament champion at 120 pounds back in December, Gabbi finished her junior season with a 9-5 record. She is 13-14 in two varsity seasons for S-E.

Pasley placed sixth at 94 pounds, going 0-3 at sectionals to close her senior season at 10-8. She went 24-33 in three varsity seasons for the Timberwolves.

Both S-E girls competed in the inaugural New York State Public High School Athletic Association Girls Wrestling Invitational in 2023, and Pasley wrestled in the second girls state invitational in 2024.

The girls state-tournament format is no longer an invitational as wrestlers competed for berths in sectional championships across the state for the first time in 2025. The NYSPHSAA held its first Girls Wrestling State Championships on February 27 at Albany's MVP Arena, which also hosted the Boys Wrestling State Championships from February 28-March 1.

Juniors participate in Honors Band Festival!

Congratulations to SEHS juniors **Liam Acly** and **Haylie Holden**, who were accepted to participate in the Susquehanna University Honors Band Festival from February 14-16 in Selinsgrove, Pennsylvania!

Both prepared for auditions beforehand to determine whether they would be placed in the wind ensemble – which is the higher-level ensemble – or the honor band. As they awaited the results, they were treated with performances from Susquehanna University Music Department Faculty, the Symphonic Band, and the Jazz Ensemble.

While rehearsals took place, Liam earned selection for the wind ensemble and Haylie was placed in the honor band. The festival concluded with a concert featuring the wind ensemble, honor band, and festival band, which combined everyone in both groups.

Special thanks to the Sherburne-Earlville Music Boosters for making this possible and to SEHS director James Behret, who said he is grateful to help give Liam and Haylie the same amazing opportunity he experienced as a student.

MS Penny War helps Red Cross!

Our National Junior Honor Society celebrated the results from its Middle School Penny War in November. SEMS raised more than \$500 to donate to the American Red Cross for hurricane victims.

Our Penny War also provided math lessons about the power of the addition of pennies, the subtraction of silver coins, and negative numbers. The friendly spirit of competition pushed some students to drop silver coins in other grade-level buckets, and it really paid off!

Using this Penny War counting system, each grade level ended up with negative totals—but that was a good thing! Grade 6 finished with negative-37.71, Grade 7 had negative-79.21, and Grade 8 totaled negative-75.65.

In addition to helping people in need, we all worked together to earn a win for everyone! Thanks to everyone who supported our NJHS with this unique fundraiser!

SEES Perfect Attendance!

Sherburne-Earlville Elementary School recognizes students in grades K-5 who attended every school day – from the start to the end – with Perfect Attendance awards on a monthly basis. The following students received awards during November and December 2024, and January 2025.

Thanks to everyone who visited campus January 24 to watch our annual MS/HS Talent Show in the MS/HS Cafeteria!

We hope you enjoyed this fun evening of music, dance, comedy and more from our super-talented Timberwolves. Special thanks to Talent Show coordinator Julie Burns, our judges and volunteers, and Amy Jones for sharing pics!

The top three acts in the MS and HS categories were as follows:

- Middle School: 1—Allan Lewis and Adrian Lester; 2—Paityn Barnes; 3—Seth Hamilton.
- High School: 1—Cameron Carpenter; 2—Clark Vischi; 3—Evie Krivit.

One School, One Book!

Thanks to Senior Education Coordinator Chryssa and Volunteer Chris from the Friends of the Rosamond Gifford Zoo for connecting with our K-5 students March 4 in the Sherburne-Earlville Elementary School Band Room!

Their interactive Winter Warriors presentations were part of our One School, One Book program and its mission to create a culture of literacy in every home. This year, SEES students are reading "The Very, Very Far North" by Dan Bar-El. The book focuses on a sweet and curious young bear named Duane who makes friends with everyone he meets.

Activities related to this year's One School, One Book included ice pops for each student, the Zoo presentation, and daily reading calendars, passports, and trivia questions. Classes also worked on creating recipes for a Gilligan's ice cream flavor. The winning recipe was available for students to enjoy during lunch March 12.

In a New York State of Mind!

Congratulations to all five of our Odyssey of the Mind teams on qualifying for the state championships during regional competition February 15 at the DCMO BOCES Harrold Campus!

Four Sherburne-Earlville teams placed first in their respective problems/divisions and another took second as all five advanced to the April 5 state competition at the New York State Fairgrounds in Syracuse.

"This incredible achievement is a testament to the hard work, creativity, and perseverance of our OMERS, their dedicated coaches, and the unwavering support of our school community," S-E Odyssey coordinator Jonathan Sherry said. "A special congratulations to S-E Coach Heidi Johnson, who was honored with the Outstanding OMER Award in recognition of her 20 years of passionate dedication to the program. Heidi's impact is immeasurable, and I couldn't be more proud of her well-deserved recognition!"

Sherry also thanked coaches Erin Ashton, Jessica Benson and Melissa Iannucci, the S-E administration and Board of Education, parents/caregivers and, of course, our incredible students for their dedication, creativity, and teamwork.

Good luck at states, Timberwolves!

Pool hours for Community Swim

Sherburne-Earlville's Community Swim Program will run from 6:00-8:00 p.m. Tuesdays and Thursdays at the SEHS Pool through May.

This program is free for members of the S-E community. The first hour is open swim and the second hour is lap swim.

Please note that the community swim program will not run during spring break.

S-E hosts first robotics tourney!

Congratulations to all of the winners January 18 at the inaugural Timberwolf Turmoil Robotics Tournament, which welcomed 30 teams and hundreds of spectators to the Sherburne-Earlville Elementary School gymnasium!

Two of Sandy Creek's Co.R.E. squads teamed up in the playoffs and earned the championship with a 20-9 victory over the alliance of the Firebirds of Phoenix and Pandamonium of Chittenango.

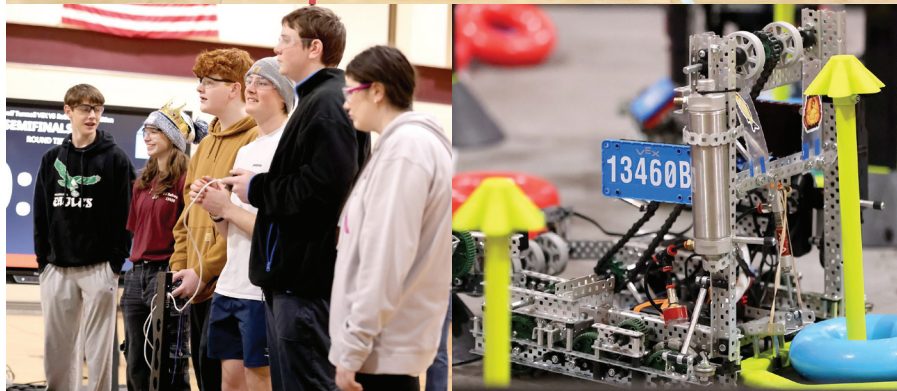

The Birdleough High Firebirds and Chittenango High's Mr. Roboto both went 7-0-0 in qualifying matches to earn the top two seeds, respectively, for the 16-team playoffs.

The 13460B Womp Womp team paced Sherburne-Earlville's entries with the No. 6 seed after going 5-2 in qualifying matches. Womp Womp joined the 64040B Lake George Robotics squad in the playoffs and reached the semifinal round.

Womp Womp also placed fifth in the Skills competition, which was won by the 53999P Robo Hornets from Harpursville High.

S-E's 13460D T-Wolves qualified for the playoffs by earning the No. 14 seed after going 3-3-1 in the opening matches. The T-Wolves teamed with the 8746B Knights of Rome Free Academy and dropped a close match in the round of 16. The Absolute Aces (13460A) also competed for Sherburne-Earlville.

Thanks to everyone who made our Timberwolf Turmoil a huge success, including S-E advisors Jon Ryan and Wes Macker, our administration and Board of Education, and all of the terrific people who volunteered their time!

Lunch with real American heroes!

We celebrated local veterans November 21 with a special Thanksgiving-style luncheon in the elementary school cafeteria!

Thanks to everyone who brought our families and friends together during this one-of-a-kind annual tradition at S-E, where #EveryDayCounts and #YouBelong!

And a very special THANK YOU to all of our veterans for protecting and serving our country as members of the U.S. military.
