DIGNITY FOR ALL STUDENTS

The Dignity for All Students Act prohibits harassment and/or discrimination of students by employees or other students on school property or at school functions based upon a student’s actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender or sex. Effective 7/1/13, DASA also prohibits cyber bullying (harassment or bullying by any form of electronic communication), including incidents that occur off-campus that may create a disruption in the school environment.

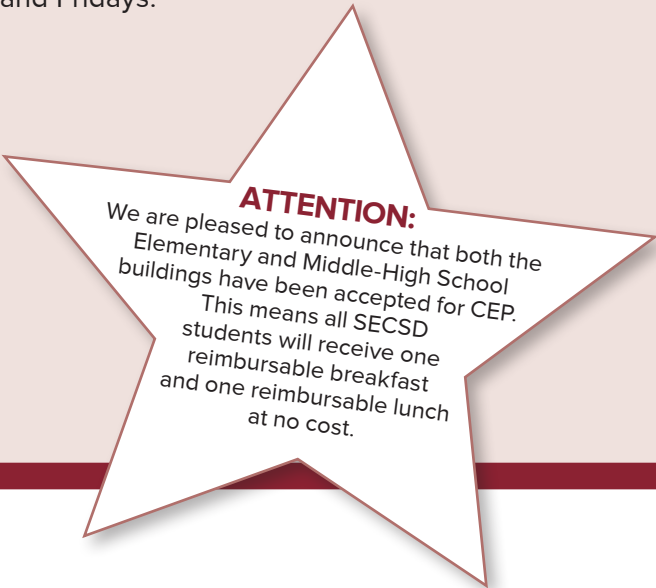

1. All matters of harassment will be taken very seriously.
2. Reports of harassment will be dealt with in a timely manner.
3. We will implement the Olweus Bullying Prevention Program, which fosters a climate of tolerance, civility and acceptance. This program is designed to improve peer relations and make school a safer and more positive place for students to learn.
4. Students will be provided with character education and instruction in the safe and responsible use of the Internet and electronic devices.
5. Interventions will be available for students who are bullied or harassed, as well as those who engage in these acts.

For additional information or to report incidents of harassment, which includes bullying, contact one of the building level DASA Coordinators.
