Logging into SchoolTool • Health Screening

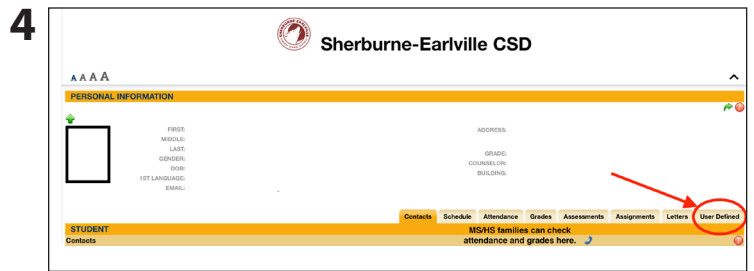

Go to our website: www.secsd.org
Scroll down to FIND IT FAST.
Click on SchoolTool.

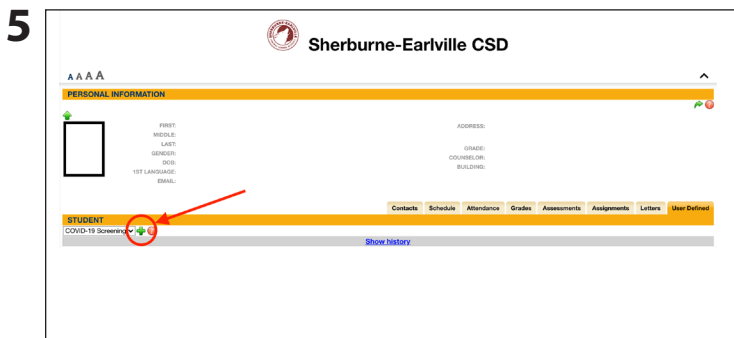

You will receive your login information from SchoolTool in an email. Enter that information here.

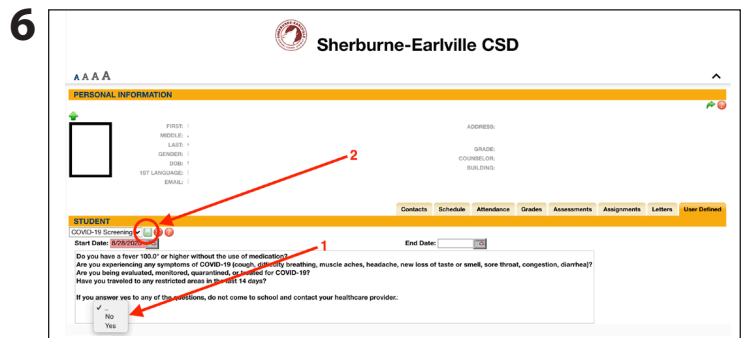

Click on the picture of the student.
You will do this for each of the students in the account.

Click on the User Defined tab.

Click the plus sign (+).

Make sure the current date appears.
Read the screening questions.
Click the dropdown to answer yes or no (1).
If the answer is yes, do not send the student to school.

Click the green save icon (2).
Please complete and save the screening before boarding the bus, or by 7:45 a.m. for all other students, each day.
