Dignity For All Students Act

The Dignity for All Students Act prohibits harassment and/or discrimination of students by employees or other students on school property or at school functions based upon a student's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender or sex. DASA also prohibits cyberbullying (harassment or bullying by any form of electronic communication), including incidents that occur off-campus that may create a disruption in the school environment.

All matters of harassment will be taken very seriously. Reports of harassment will be dealt with in a timely manner. We will implement the Olweus Bullying Prevention Program, which fosters a climate of tolerance, civility, and acceptance. This program is designed to improve peer relations and make school a safer and more positive place for students to learn.

Students will be provided with character education and instruction in the safe and responsible use of the Internet and electronic devices. Interventions will be available for students who are bullied or harassed, as well as those who engage in these acts.

For additional information or to report incidences of harassment, which includes bullying, contact our DASA coordinators at the following numbers:

- Elementary School (607) 674-7336
- Middle School (607) 674-7382
- High School (607) 674-7315

Use of student images explained

The Sherburne-Earlville School District features photographs, videos and/or the work of our students in district and community publications on a regular basis. Names sometimes accompany these images, especially for those students who earn special recognition (awards, certificates, honors, etc.) from the district and/or outside entities.

These images may appear in printed district publications (such as brochures, calendars, newsletters, pamphlets, yearbooks, etc.); on the district's website (www.secsd.org); on the district's social media pages (Facebook and Twitter); et al.

If you object to your child's image, name or work appearing in these formats, you must submit that objection in writing to the district Superintendent.

Child Find

The Sherburne-Earlville Central School District recognizes its responsibility to provide a free and appropriate public education to eligible students with disabilities within its geographical boundaries.

The District has a "child find" process that is designed to locate, identify and evaluate children with disabilities residing within its geographical boundaries preschool through grade 12 or through age 21 if they have not received a high school diploma.

If you know a child who lives within the boundaries of the Sherburne-Earlville Central School District and attends school in the District who may be in the need of special education and/or related services, please contact the District's Director of Special Education for further information regarding the referral and evaluation process.

If the student is a school-age student who attends a non-public private school that is not located within the geographical boundaries of the District, the student may need to be referred to the school district in which the non-public school is located in order to receive services during the regular school year. Please contact that school district for information regarding time deadlines for requests for services.

The District's Child Find process extends to students with physical or mental impairments that substantially limit a major life activity. Such students may be eligible for services or accommodations pursuant to Section 504 of the Rehabilitation Act. Section 504 is a Federal civil rights statute that prohibits discrimination against persons with disabilities and programs receiving Federal financial assistance.

Please contact your child's building principal for more information regarding Section 504 eligibility and services.
