## Sports seasons underway at S-E

High school sports returned to Sherburne-Earlville in February as the Board of Education approved the start of several winter athletic programs during its February 8 regular meeting.

Each motion to approve the start of abbreviated boys basketball, girls basketball and volleyball seasons carried by a 7-0 Board vote. Additionally, winter intramural seasons for cheerleading and wrestling were each approved, 7-0.

All five indoor winter sports are considered to be "high risk" during the ongoing COVID-19 health crisis, as defined by the New York State Department of Health. The Board approved the start of each on the condition that all COVID-19 protocols for high-risk sports are followed, as set forth by the Chenango County Public Health Department.

Although no spectators were allowed to attend in person during the Winter Sports Season, as per Center State Conference rules, SECSD and its opponents regularly live-streamed athletic events on a variety of digital platforms so fans could watch from home.

The Fall II Sports Season for our cross country, field hockey, football, boys soccer and girls soccer teams was scheduled to begin in March. The Spring Sports season is set to begin in mid-April. More information, including whether in-person spectators will be allowed during the Fall II and Spring sports seasons, is forthcoming.

Athletics schedules are available on our online Athletics page at <https://www.secsd.org/Athletics.aspx>. Please note that all schedules are subject to change. 🐾

## The driven snow . . .

Junior **Mytchell Stowell**, left, and sophomore **Jack Rodman** took the road less traveled to school on January 29, riding their snowmobiles to attend classes at Sherburne-Earlville High School.

What a fun and creative way to show up for in-person instruction on campus! 🐾

## Undercover kids!

Mrs. Johnson's fourth-graders earned a reward earlier this winter and got to choose a theme for a day of instruction.

The kids got creative by picking "Fort Day," building their own private forts in school to spend the day reading and writing inside them.

SEES Principal Antoinette Halliday reports: "They loved it!" 🐾

## We build excitement!

Scott Bugbee and his Drawing and Design for Production students recently surprised Assistant Superintendent for Business Todd Griffin with a new office desk in the District Office.

**Hunter Hendrickson**, **Mytchell Stowell** and **Rylan Sigman** posed with Mr. Griffin

and the finished product shortly after the desk was delivered. The DDP class project started with a special request to replace Mr. Griffin's old "desk," which was actually two tables.

"Each year, DDP students design and build school-based projects to learn the design process from project concept to finished product," Mr. Bugbee said. "Students then apply these skills toward a manufacturing project of their choice."

After collaborating on the design, the class used CAD software to create blueprints and then went to work with soft maple wood from Baillie Lumber Co. in Smyrna. Students **Carson Lounsbury**, **Espn Anderson** and **Gavin Egerer** also contributed to the project. 🐾

## SEMS students honored!

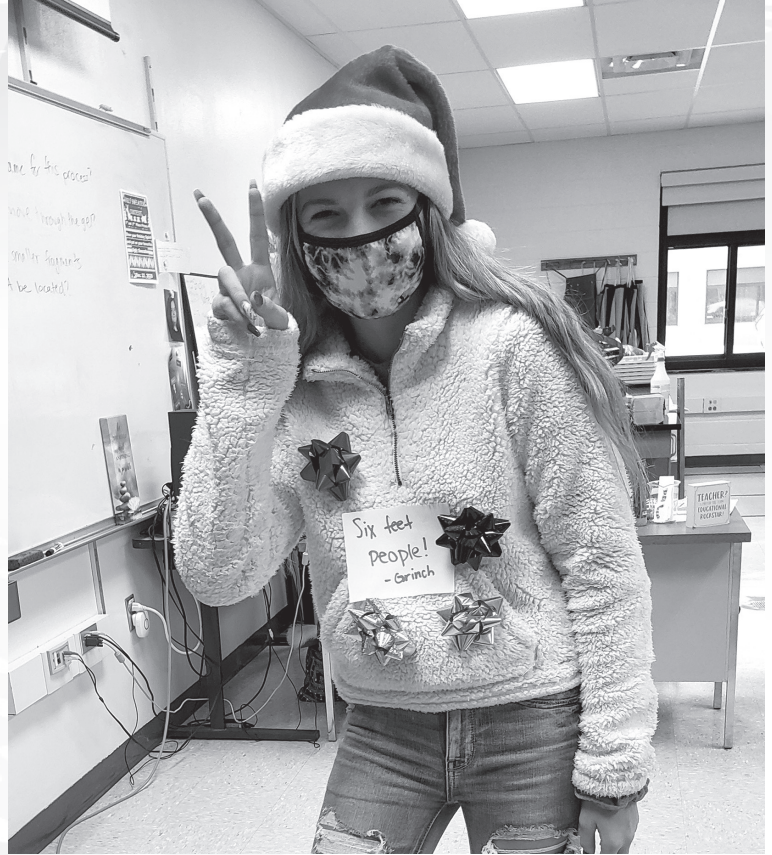

Congratulations to Sherburne-Earlville Middle School students **Blaine Fleming**, **Lydia Larchar** and **Charles Potrzeba**, who were recently accepted into the National Junior Honor Society!

These students have shown outstanding scholarship, leadership, service, citizenship and character. Please join us in recognizing our newest NJHS members for their hard work and dedication to our school and community! 🐾

# KEEP YOUTH ATHLETES SAFE

## Reduce the Spread of COVID-19 in Youth Sports

### Reduce physical closeness between players when possible

- Allow players to focus on building individual skills, like batting, dribbling, kicking, and strength training
- Limit full contact between players to game days (avoid during practice)
- Increase space between players in the practice areas, including on the sideline, dugout, and bench
- Avoid high fives, handshakes, fist bumps or hugs

### Minimize sharing of equipment or gear

- Encourage players to bring their own equipment, like gloves, balls, and helmets (if possible)
- Clean and disinfect shared items between use

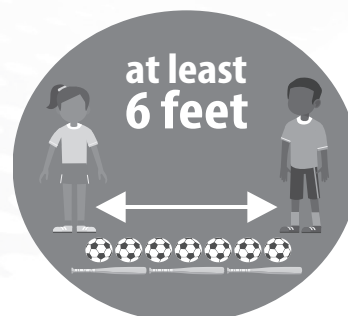

### Limit travel outside of your area

- Consider competing against teams in your local area (neighborhood, town, or community)

### Identify small groups and keep them together

- Avoid mixing between groups
- Stagger the arrival and drop off of each group to limit interaction
- Have scrimmages within team to limit exposure

Implement plans to space out spectators by 6 feet at games or competitions. Limit nonessential visitors, spectators, and volunteers.

## Seniors on the hunt!

Thanks to Sherburne-Earlville seniors **Tessa Cole** and **Morgan Boldt** for coming up with another safe, fun senior event this winter . . . a Senior Scavenger Hunt!

With a few parents helping to plan clues and several seniors working in small, COVID-conscious groups, a community hunt was created.

Seniors were tasked with using clues to locate several area businesses, then had to take pictures of themselves

doing silly things such as handstands near the senior rock, cartwheels on the golf course, planking near a bridge, and climbing the town sand pile (all with permission of course).

They also had to get a picture with a local establishment employee, another with a pet, do a good deed for someone while on the hunt, and several other things.

Team BBO, which consisted of **Corey Jeffrey**, **Morgan Boldt** and **Megan Hailston**, earned the Scavenger Hunt crown as the first group back with photo evidence of finding the most correct places.

Congratulations to Team BBO and all of our seniors who participated! 🐾

## Senior artist wins gold key

Congratulations to Sherburne-Earlville senior **Raven Rivenburgh** on winning a Gold Key during the CNY Scholastic Art and Awards competition for the 2020-2021 school year.

SEHS Art Teacher Kayleigh Olive said the Gold Key is the highest honor one can earn in the regional competition. Raven's sculpture of Ruth Bader Ginsburg, titled "I Dissent," is now eligible for entry into the national competition.

"From September right up to Christmas break, Raven put every second of her free time into this sculpture," Kayleigh said. "It was the perfect final touch to her college portfolio, which was recently accepted and praised by Rochester Institute of Technology. We are beyond thrilled for Raven and all of her accomplishments!"

Raven used the following materials to create her award-winning sculpture: acrylic paint (skin tones and hair), cardboard (glasses), clay (construction), false eyelashes, graduation gown, lace, scrunchie, and stones with glue (earrings).

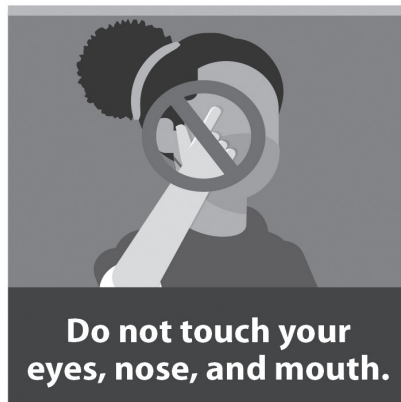

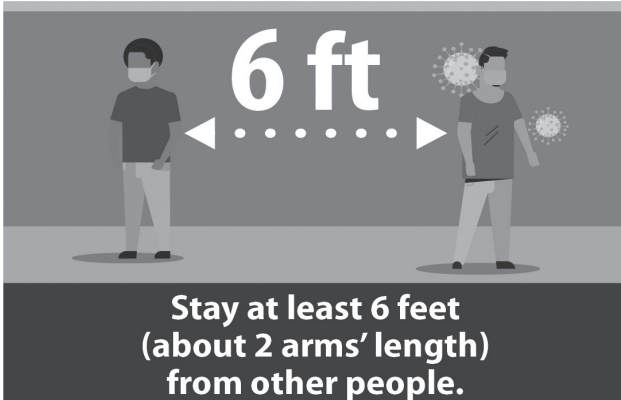

Visit our Facebook page to see more photos of this award-winning piece.

Congratulations, Raven! 🐾

## Joy to the world!

Sherburne-Earlville MS/HS chorus members participated in a holiday season of caroling around town, beginning in early December at Gilligan's!

Caroling continued throughout the community on designated days in December. Community members were invited to listen/watch as long as COVID-19 guidelines were followed to ensure the safety of all.

Special thanks to Julie Burns and the S-E Music Department for giving our kids another chance to shine during the 2020-2021 school year! 🐾

## A touch of class

Sherburne-Earlville started a new tradition before the Christmas break as seniors personalized their parking spots on campus with a little paint and a lot of creativity.

Senior **Deidra Parry** came up with the idea for this fun project, which brought the Class of 2021 together to make memories in a safe, outdoor setting under the supervision of high school teacher Suzanne Winton. 🐾
