

Virtual Learning

All families with reliable internet access in grades UPK - 12th grade are allowed to choose virtual learning. Families who choose virtual learning for their students will be provided with the necessary devices and learning platforms for instruction, as well as daily opportunities for interaction with a certified teacher. Interaction may include direct instruction, active learning opportunities, checks for understanding, and meaningful and timely feedback on all assignments.

- 100% Virtual Learning option available at all grade levels
- 1:1 devices will be provided for all students in grades K-12
- Teachers in grades UPK-5 will post assignments on Seesaw
- Teachers in grades 6-12 will post assignments on Google Classroom
- Teachers in grades K-12 may be contacted via school email or by calling the main office
- Teachers will provide learning opportunities, such as short videos, live zoom sessions, and office hours for answering questions, as well as independent work. A virtual facilitator will be available to students during the school day.
- Attendance will be taken daily, and students will receive grades
- On Mondays, teachers will be available for questions from parents and students for 3 hours. This will include opportunities for learning and interaction with classmates.
- Internet hotspots will be available at the school
- Students may return to the blended model the first week of each new quarter
- Students may change from blended to a fully virtual model at any time
